

## **NASA Archives Program W. Michael Hawes International Space Station Files Collection**

**Series Title:** **International Space Station – W. Michael Hawes Donated Files**

**Extent:** 3 feet, 8 inches

**Box Count:** 11 boxes

**Inclusive dates:** 1981 – 2003

**Location:** 9/1/3 – 9/1/4

**Transfer #:**

**Accession Number:**

**Disposition Authority:**

**Media Type:** Textual, photographic, and electronic

### **Access Restrictions**

Some folders in this collection are restricted access due to company proprietary and NASA sensitive materials. Please contact the Chief Archivist to access the restricted material.

### **Use Restrictions**

Most government records are in the public domain, however, this series includes commercial materials, such as newspaper clippings, that may be subject to copyright restrictions. Researchers should contact the copyright holder for information. Follow Chief Archivist's instructions for restricted access materials.

**Copy Status:** Research, Use and Preservation

### **Preferred Citation**

W. Michael Hawes International Space Station Files Collection, NASA Headquarters Historical Reference Collection.

### **Series Description**

This series consists of files of the National Aeronautics and Space Administration (NASA) mission controller, Johnson Space Center (JSC) (1979-1985); chief of Commercial Payloads Operations Section, Operations Division, JSC (1986); Space Station/STS Ops Integration

Section, Operations Division, JSC (1987); Program Utilization and Operation, Office of Space Station (1988-1991); Manager of Program Utilization and Operation, Space Station Freedom Program, Office of Space Flight (1991-1993); Space Station Chief Engineer (1994-1997); Deputy Associate Administrator for Space Development, Office of Space Flight (1998-2000); Deputy Associate Administrator for International Space Station, Office of Space Flight (2001-2005); Deputy Associate Administrator for Program Integration, Space Operations Mission Directorate (SOMD) (2006-2008); and Associate Administrator for Independent Program and Cost Evaluation (IPCE) (2008-2011) W. Michael Hawes. Records contain materials on the space station program collected by Hawes over the course of his NASA career reflecting and supporting policy studies and analysis; files on program development; correspondence, and memoranda between NASA officials, private sources, and other U.S. Government agencies; records of official meetings; and speeches given before various organizations. Specifically, this series contains correspondence files; reports; meeting files; speeches; Space Station Freedom program; Shuttle-Mir program; International Space Station (ISS) program; and international cooperation with Russia in ISS program.

### **General Notes**

None.

**Keywords:** International Space Station (ISS); Space Station Alpha; Shuttle-Mir project; international cooperation; Congressional relations; and Space Station Freedom.
